SOLDIER SETTLEMENT OF CANADA

Ottawa, Ont.

MEMORANDUM:-

Request for Title under the Order-in-Council of the 4th June, 1921, P.C.1321, where duties completed by soldier settler.

Re: N.W.¼ 21-30-7 W.4th (S.S.)
Albert Mayfield

Subsequent to the initial loan approved in favour of the above named settler on the 14th July, 1919, he secured advances totalling $3,[illegible].77, as follows:

Removal of Encumbrances	$ 653.73
Stock and Equipment	1[illegible].00
Permanent Improvements	7[illegible].00
Special Advances	150.00

The charge created against the land is an effective one under Section 26 of the Soldier Settlement Act as all the advances were made subsequent to date of entry. The quarter section was formerly the settler's pre-emption entry. The only other land security is the N.E.¼ 21-30-7 W. 4th. Title to which is vested in the Director of Soldier Settlement.

Your Department reports that Mr. Mayfield has completed the settlement duties for the earning of patent: therefore, in order that he may be in a position to negotiate a sale of the land at a future date, Mr. Mayfield has requested that title to the land be issued in the name of the Director of Soldier Settlement. Mr. Mayfield is not in residence on the land, and his loan is in adjustment. When a purchaser has been found for the property it will be sold and the proceeds applied in reduction of the settler's indebtedness to this Department.

Pursuant to the provisions of the regulations established by Order-in-Council of the 4th June, 1921, P.C.1321; and in view of the powers vested in the undersigned under the amendment of 1921 to the Soldier Settlement Act, it is requested that the right, title and interest of His Majesty in the said N.W.¼ 21-30-7 W.4th be vested in the Director of Soldier Settlement of Canada.

A Vesting Order for signature is attached hereto.

Ottawa.

Sir,-

Re - W.S. 4-11-1-47.

On the 24th February last you were furnished with a statement showing the standing of this claim as registered against this land of which there was outstanding a balance as shown therein, namely $[illegible] bearing interest at 8% from the 3rd November, 1916, to date of payment.

I might say it would appear you had not investigated title when you purchased this land and made the surrender payment in clearance of the liens. It would, therefore, be to your interest to settle this relatively small balance and have these encumbrances against your title removed. I would remind you also that re-payment of the same cannot be indefinitely postponed and would request your remittance in due course.

Your obedient servant,

[illegible]

Secretary.

Sir:

A homestead inspector's report shows that this land is not under cultivation, but that there are improvements on the same in the form of house, stable, granary, and fencing to the value of $175.00.

The present owner of this land, S. . . Seattle, has been written to on several occasions at #116 S. Jersey St., Portland, Oregon, and as these communications have not been returned, it is presumed they duly reached him.

As you may have certain outstanding taxes against the land this matter is, therefore, referred to you for any action you may wish to take in this connection.

RE: Account of Frank Anderson
W½ 14-6-5-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1912, 1915 and 1919 seed grain, fodder and relief amounting to $360.25 were advanced to Frank Anderson on the security of the above mentioned land. A payment of $50.00 was received in 1930 and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$360.25	$723.27	$1,083.52

Patent was issued in the name of Frank Anderson for the S.W. ¼ 14-6-5-W.4th on the 22nd of September, 1913, subject to the 1912 liens. The N.W. ¼ 14-6-5-W.4th was formerly the pre-emption entry of the debtor whose entry was later cancelled. The land was re-entered upon by a Mr. Jack Heiland to whom patent subsequently issued. According to an Abstract of Title dated the 28th of December, 1955, the N.W. ¼ 14-6-5-W.4th now stands in the name of Mr. Jack Heiland of Manyberries, Alberta, clear of any encumbrance, while an Abstract of Title dated the 28th of December, 1955, shows the S.W. ¼ 14-6-5-4 as registered in the name of the Minister of Municipal Affairs of the Province of Alberta, subject only to our liens.

This half-section of land is of very low assessed value and is suitable only for grazing purposes.

In reply to our questionnaire of the 26th of April, 1951, Mr. J.L. Thompson of Director of Assessments, Department of Municipal Affairs, Province of Alberta, advised that this half section was being operated by a Mr. Jack Heiland, who owned the N.W. ¼ and held the S.W. ¼ under a grazing lease.

The information obtained indicates that the liens are not registered against the N.W. ¼ and that the S.W. ¼ 14-6-5-W.4th is unsuitable for farming purposes and no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

DOMINION LANDS

Sir,

Re. S.E.¼ of 16-25-14, West 4th M.

I beg to acknowledge the receipt of your letter of the 3rd ultimo, enclosing the report of Mr. Homestead Inspector Sleaman in connection with the above land together with copy of agreement of transfer of the above land from Mr. J. Smith, to his wife and also statement signed by settlers in the vicinity.

The case has been carefully considered and in view of the fact that the entrant will be unable to return and complete the requisite residence and as it would seem that Mrs. Smith has done the work and paid for the land, it has been decided to cancel the entry of Mr. Smith. It would appear that Mrs. Smith is not entitled to this quarter section as a free grant on the ground of being a deserted wife, as she is the possessor of her husband's patented free homestead. It has been decided to give Mrs. Smith an opportunity of securing patent for the land as a sale upon paying $1.00 per acre additional in lieu of further settlement duties.

Be good enough to carry out the cancellation of the entry and communicate with Mrs. Smith and ascertain her intentions in the matter in regard to purchasing the land.

Your obedient servant,

Assistant Secretary.

Report for Title under Part II Council of the 4th June, 1917, Form [illegible] granted by soldier settler.

RE: Alexander Norman Roland Watman
W.½ 2-[illegible] W.4th (S.I.)

The above described land is the unentered soldier grant of this settler.

Subsequent to the initial loan approved in his favour on the 22nd September, 1917, the settler secured advances from the Board totalling $[illegible], as follows: removal of encumbrances, $[illegible]; permanent improvements, $[illegible]; stock and equipment, $[illegible]. As security the Board holds a charge on the settler's soldier grant. The only other land security held by the Board in this case is a mortgage against the S.E.¼ 1-[illegible]-14 W.4th, the settler's pre-war owned quarter.

The Board is informed that the settler has completed the duties in connection with his soldier grant, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Deputy Commissioner of [illegible] Lands to the settler dated May 11th, 1921.

On 2 June, 1921, the Resolution was approved by the Provincial Council on the settler's application for the release of the Board's charge in completion of duties by the latter. The settler has since paid in full the amount due the Board, and requests that the Minister, by completion of Entries by the Department in the usual manner, vest the settler's right, title and interest in the above described land in him. The Board, title remains in the Province until the settler's application for patent is issued. Subject to the settler's right, title and interest in the above described land being transferred to him, the Board has no objection to the issuance of patent to the settler.

The settler should be advised that title to the land is issued only upon the completion of duties, and that the settler desires to secure title prior to that time, he may do so by [illegible]. The settler desires to secure title [illegible] at this time, it may be left to the Board to complete the transfer when the settler's duties are completed.

Under the provisions of the Provincial Returned Soldiers' Settlement Act, the Board hereby transfers to the Province, title and interest of His Majesty in the above described land, to be held by the Province in the Soldier Settlement Fund.

The Board has no objection to the land under the Provincial Returned Soldiers' Settlement Act, as all [illegible] requirements in the Board's records have been complied with.

Submitted to the Board: [illegible] Soldiers' Settlement Act, as all [illegible] settler's requirements [illegible] Board's records have been complied with.

A Resolution [illegible] is submitted herewith.

The Deputy Minister,
Department of the Interior,
Ottawa.
